## WHY CHOOSE PREVITE'S?

For several generations, Previte's has been supplying families on the South Shore and nearby towns with the best available in meats, poultry, veal, specialty items and fully cooked items.

If you've visited Previte's, you've seen the type of service and quality that has existed for generations and has created thousands of loyal customers.

If you're "new" to Previte's, Welcome. We're sure that you will come to appreciate the type of high quality meats and services that could be found at a neighborhood "butcher shop" years ago. We're certainly not a super store when it comes to size. But, if you are looking for super values, super service and super quality meats and meals, PREVITE'S is the only "Super Store" you will ever need.

Depending on your needs, we can be the friendly neighborhood butcher, the sophisticated gourmet food shop, or "party platter central."

No matter what your particular needs, Previte's is here to cater to them with only the finest and most wholesome items.
